

FLOATING:

[Verse 1]

I've had enough
We were diamonds
Now I'm the rough

Now that nothing's the same
The world's still
It's a different game

That's not who I am
I'm half you
Half of my own plan

It's written in stone
I'm on my own
But I'm not alone

When I look at the sky (when I look at the sky)
My mind's ignited
The Fourth of July (of July)

Unrequited for a reason
That's clear (oh-oh)
I still get excited
When I feel you're here

[Chorus]

Although
I can only see you
When I'm dreaming about you
I'm not losing sleep
I can breathe here
I doubt you
Would want me led astray
If there's nothing I can change
Somedays I feel I'm drowning
If I'm being honest
I'll pick myself up
And I'll do as I promised
Make us prouder everyday

Won't lead myself astray

[Verse 2]

If we fall we'll just look at the sky
And see the stars that we saw in your eyes
Consumed with peace
Remembering your dash
And we'll live ours
'Til we all turn to ash

[Chorus]

Although
I can only see you
When I'm dreaming about you
I'm not losing sleep
I can breathe here
I doubt you
Would want me led astray
If there's nothing I can change (nothing I can change)
Somedays I feel I'm drowning
If I'm being honest (if I'm being honest)
I'll pick myself up
And I'll do as I promised (I will do as I promised)
Make us prouder everyday (oh-ah-oh-oh)
Won't lead myself astray (astray)

[Outro]

And you'll guide me
While I'm fighting
You were all I need
To fight the tide
Now I'm floating
I'll keep going
I'll make you proud of me
