

THE BOTTOM:

[Verse 1]

If life's an ocean

I'm at the bottom of the ocean

If life's an ocean

I'm at the bottom of the ocean (oh-oh)

[Refrain]

I missed the wave

[Verse 2]

The world's in motion

Drifting through the ocean

The world's in motion (motion)

Drifting through the ocean (oh-oo)

[Refrain]

I missed the wave

I missed the wave (oh-oo)

[Chorus]

Keeps getting farther

It's moving without me

Don't see the light no more

Down here

[Refrain]

(oh-oo)

[Chorus]

Keeps getting darker

It's moving without me

Don't see the light no more

Down here

[Outro]

I missed the wave
